

PLAY: The Bean Game

Each day we make choices based on what we value as important by assessing whether our time, energy, and money is worth it. This game will help you discover what is most important to you to spend money on and how your personal experiences and values affect your money management decisions.

Directions: Use your Bean Map above to answer the questions below.

Part I: Round One Discussion Questions

- 1. Explain the reasoning behind how you spent your 20 bean income.
- 2. Take a moment to think about your values around money. Then, look at the top three to four categories where you are spending most of your beans. How do these choices reflect your values around money?
- 3. Compare what you spent your beans on with another student in your group. What similarities and differences did you notice?

Similarities	Differences

Part II: Round Two Discussion Questions

- 4. Think about how you chose to remove the 7 beans. What tradeoffs did you have to make? How did you decide which categories to cut down on?

5. What did you learn about yourself and your values around money through the process of cutting down your budget?
6. Compare your budget-cutting choices with another student in your group. What similarities and differences did you notice?

Similarities	Differences

Part III: Reflection

7. Did the cost of any of the categories and options surprise you? Which ones and why?
8. What previous experiences in your life influenced how you would allocate your beans across your budget?
9. What 3 main takeaways did you learn from this activity to help you create strong, realistic budgets for yourself in the future?
