BECA/Huson/Algebra 2: Regents Preparation   Name:
13 June 2024

Prep - graphing stationary

1. Best practices for Regents graphing problems:

   ☐ Use the calculator graph and table functions.

   ☐ Set the window (F3) based on the equation and grid numbering.

   ☐ Mark and label the x-intercepts.

   ☐ Note maxima and minima, drawing smooth curves.

   ☐ Add arrows unless the domain is restricted.

$f(x)$

x
